## TWEEN & TEEN TRIP "LATE PICK-UP" NOTIFICATION FORM

As you know, there are several Travel Program trips throughout the summer that require parents to pick-up their children at camp after the regular camp hours. These "Late Pick-Up" trips are clearly marked on the Travel Camp Roadtrip Schedule.

There may be times during the summer when we need to contact parents regarding updates on arrival times for our travel campers' "Late Pick-Up" trips.

We will be using a combination of an e-mail notification system and our automated telephone notification system. In case of a change in arrival time for a Travel Program "Late Pick-Up" trip, an e-mail will be sent to the addresses you list below. Additionally, an automated phone call will be placed to the phone numbers you list below. Our automated telephone notification system will leave a message if an answering machine picks up. We recommend that you check your e-mail or answering machine prior to leaving for camp on "Late Pick-Up" days.

Please return this form to camp by April 30th listing any e-mail addresses and phone numbers where you would like to receive arrival updates. As always, if you have any questions regarding arrival times, please don't hesitate to call us in the office at (908) 876-3429.
