Bus Counselors are very important to the success of Meadowbrook. They are responsible for entertaining campers on the way to camp in the morning and on the way home in the afternoon with activities they are supplied with by the Special Events Director. They also supervise the bus and ensure that each camper behaves in a safe and appropriate manner. They do receive additional pay and usually make tips as well. In addition, they save money on gas (and we all know how much gas costs these days) by riding the bus.

Meadowbrook also offers its staff who have not been chosen to be Bus Counselors the opportunity to get a ride to camp on a bus. These people are called Staff Passengers. If you are a Staff Passenger you are expected to add to the campers' experience every day in return for the ride to camp. This means that you are expected to assist in the daily activities, to know and interact with the campers on your bus and to fill in for your bus counselor or the bus counselor of a different bus if they are unable to ride the bus due to absence or a conflicting scheduled camp event (i.e. dance show or late night). Staff Passengers do not make any additional salary.

Please check as many as apply to you.

I wish to be a Bus Counselor if an opening exists.

If needed, I am willing to be a Bus Counselor.

If I am not chosen to be a Bus Counselor, I would like to ride the bus to camp if possible.

I do not wish to be a Bus Counselor.

I was a Bus Counselor last summer for Meadowbrook.

Please note that the above are just requests and we do not guarantee everyone a Bus Counselor position or a ride to camp. We may still require you to be a Bus Counselor if needed.
